FESTIVAL PARTNERS

In-Kind Donations Welcome!

In addition to financial commitments, we welcome in-kind donations—tangible items needed to host the festival. If your business can provide goods, please reach out to explore how we can work together.

If the fair market value of your donation aligns with one of our sponsorship levels, you will receive the same recognition as a financial sponsor and essential role in the success of the festival.

These generous donors are recognized as Partners rather than Sponsors, but with equal appreciation and visibility.

If you would like to offer an in-kind donation, please email:
